

Mission Statement: Bring Shalom to Chaos

This heart-to-heart mission lends the proverbial hand up to neighbors in our own zip code. HOPE Ministry is the only mission ministry in our church that is solely funded by SUMC and its membership. We're pairing Simpsonwood families with families at risk, helping them re-establish stable housing, food security, steady work, and reliable transportation. Many generous people have answered the call with financial support and donations and together, we're building stability, community, and, well..... hope. You can see it in the smiles of the children at our monthly dinners and studies. Ask how you can spread more hope in our community.
