# GIVE PLUS<sup>+</sup>

You can download the GivePlus Mobile App for free from the Apple Store or the Google Play Store.

Once you download the app, open it up and search for Simpsonwood using churches near me, zip code, or our church name.

GivePlus gives you the option to create an account or to donate as a guest using Give Now. An account will allow you to track your donation history, as well as set up recurring donations.

After you sign in or select Give Now, use the plus button on the right side of the screen to begin your donation. You will then have the flexibility to select which fund you wish for your donation to go towards.

Next, account users will select the frequency and amount of your donation. Guests using Give Now will simply enter the amount of their one time donation.

Complete your donation on the next page by pressing the arrow in the top right corner and selecting your payment method. A camera option to scan the credit or debit card is available. Input your payment information and your donation is complete!

You can elect to pay the processing fee by selecting the box on the payment screen.
